

Youth Special Interest

GIRLS CLUB

This club is designed for girls between the ages of 7 and 12. In addition to making new friends, dancing and creating crafts, we will learn about life skills and values, positive relationships and being more involved in our community. One of the 41 Developmental Assets will be covered at each session.

MUSIC TOGETHER

Music Together classes are based on the recognition that all children are musical, all children learn to sing in tune, keep a beat, and participate with confidence in the music of our culture, provided that their early environment supports such learning. By emphasizing actual musical experiences rather than concepts about music, Music Together introduces children to the pleasures and benefits of making music.
